```
graph TD; A["/home/vasco/Vasco/facul  
/DA/2a2s-da-proj-2/structs.h"] --> B[string]; A --> C[vector]; A --> D[pallet.h];
```

The diagram illustrates a file path at the top, which then branches into three arrows pointing to three separate boxes below. The first two boxes, 'string' and 'vector', are shaded gray, while the third box, 'pallet.h', is white with a black border.
